

**“SECRETS OF SUCCESSFUL HIGH EARNERS”
Going to the next level of your life**

Based on the best-selling book *Overcoming Underearning* by Barbara Stanny, this seminar is designed to help women identify and overcome the mental blocks that stand between them and financial success.

SUMMARY:

Informative and interactive, Jennifer will guide participants through a workbook of exercises that facilitate thought-provoking discussions to deepen understanding. A specially developed process to overcome underearning and numerous tools and strategies are presented to help dig down to the heart of personal financial issues—and resolve them. This seminar aims to empower women financially so they can live a rich and rewarding life.

WHAT TO EXPECT:

- Discover hidden emotional issues with money
- Deepen your understanding of your relationship with money
- Shift perspectives to increase earnings
- Receive personalized coaching from Jennifer Powers
- Leave with a specific, personalized action plan to overcome underearning

APPLICATIONS:

-Designed specifically to empower and motivate women to take control of their finances, this program is perfect for female entrepreneurs, business owners, independent professionals or consultants, contractors and any professional woman who feels like she is not tapped into her earning potential and would like to be!

-A perfect seminar to offer your community business partners and/or potential clients to support their success and initiate/build relationships.

-May be offered in combination with an ongoing support in the form of monthly coaching circles facilitated by Jennifer Powers.

LENGTH: Two to three hours depending on size of audience and level of participation.
